Module 4

Churches and the Sustainable
Development Goals

Group work session 1 (60 minutes)

1. Each one of you, open the self-assessment tool and on your browser (slides 3-6).
2. Start the self-assessment by following the steps in slides 7-14.
3. You can all answer the questions according to your own reality, but discuss the questions together as a group. Always make sure that everyone is ready to move to the next question.
4. The recorder of the group can take notes and collect observations, ideas and questions during the session.

SDG 1

**End poverty in all its forms
everywhere**

More than 700 million people, or 10 per cent of the world population, still live in extreme poverty, struggling to fulfil the most basic needs like health, education, and access to water and sanitation. Your active engagement can make a difference in addressing poverty. Explore how your existing work links to SDG 1, and how you can deepen your engagement in addressing poverty!

A. Within your church/organization, you raise awareness/educate on the impacts of climate change in your living environment*

Group work session 2 part 1

(30 minutes)

1. Open again the site <https://sdgs.un.org/goals> and find the targets and indicators related to your SDG.
2. Read out loud each target of your specific SDG and its indicators. Discuss and list answers to the following questions:
 - ✓ Which ones of the targets and indicators are easy to link with the church/faith reality?
 - ✓ Which ones (if any) of the targets and indicators are far from the church/faith reality?

Group work session 2 part 2

(60 minutes)

1. Each one of you, use the link to open again your self-assessment tools (results page) and explore your results by using the slides 17-20 as a guide.
2. Learn how your answers are linked to the targets and indicators. Share with each other your activity rates.
3. Discuss the following questions (recorder takes notes):
 - ✓ Were the results what you expected? If not, what surprised you?
 - ✓ How easy or difficult was it to connect your work to the SDG targets and indicators?
 - ✓ Do you carry out any activities that are linked to the goals and their targets, that were not mentioned in the assessment tool? Which ones?

Step 1: Have a look at the top of your results page and see how many times you responded 'Yes'. Based on the total number of questions, your overall activity ratio is calculated.

Targets under SDG 1 – End of poverty in all its forms everywhere

1.1 By 2030, eradicate extreme poverty for all people everywhere, currently measured as people living on less than \$1.25 a day

1.2 By 2030, reduce at least by half the proportion of men, women and children of all ages living in poverty in all its dimensions according to national definitions

1.3 Implement nationally appropriate social protection systems and measures for all, including floors, and by 2030 achieve substantial coverage of the poor and the vulnerable

1.4 By 2030, ensure that all men and women, in particular the poor and the vulnerable, have equal rights to economic resources, as well as access to basic services, ownership and control over land and other forms of property, inheritance, natural resources, appropriate new technology and financial services, including microfinance

1.5 By 2030, build the resilience of the poor and those in vulnerable situations and reduce their exposure and vulnerability to climate-related extreme events and other economic, social and environmental shocks and disasters

1.a Ensure significant mobilization on resources from a variety of sources, including through enhanced development cooperation, in order to provide adequate and predictable means for developing countries, in particular least developed countries, to implement programmes and policies to end poverty in all its dimensions

Step 3: By clicking on the target, the related questions and indicators open.
